

# The Monthly Scoop

**By: Aarushi Vasal and Snigdha Doraj**

**Publish date: April 12th, 2018**

*(Formerly the Raven Report-now lead by student leaders)*

There are only about 12 weeks of school left and WGHill is getting busier and busier! We hope you all had a great Spring break and are ready to come and be part of the many special events and celebrations we have planned for the Spring. The staff thanks School Council and Friends of Ravens in Advance for showing appreciation by providing us lunch during Education Week in May. Thank you!

## Quote of the Month

### Collaborating Ravens Organized a Career Fair!

Firstly we would like to thank all the parents who volunteered for our career fair and hope to see other parents volunteering in the future as well! This year was our first career fair and it was a great success! We had a variety of jobs for students to explore and learn from. At the end we had a scavenger hunt which consisted of the students having to go around and ask the job workers questions about their jobs. We hope to have even more jobs in the future!

### **Talent Show Auditions Coming Soon!**

Sign up for Talent Show will be up at the end of April. What talents do you have that you can share? Auditions are at the end of May and the show itself is on the last day of school.

### **Criminal Record Checks**

These are necessary for anyone volunteering in the school, from the hot lunch people to those going on field trips. It's an easy process. See the school secretary and she gets you a signed letter to take to the RCMP and they process it. Once they call you to say it is ready, you bring to us and we make a copy!
