JANUARY 2023 AGENDA

1. Review Family Movie night financing and Growing smiles, amount raised and to discuss a second date.
2. M&M meats dates
3. Financial Requests from School.
4. Discuss the Carnival fundraiser and set a second meeting time dedicated to this event
5. Upcoming Casino Night:

We have been notified that our group is scheduled for a casino on June 26th and June 27th. These dates are a bit tricky. These dates may interfere with the Kinder and Grade 6 grad nights.

Remaining balance \$_____

Alternative options include:

1. Work the casino on June 26th and 27th
2. Ask if there are any other organizations within the quarter that would be willing to trade
3. Put in a request to reschedule the casino night until a later available date. We estimate a date in the Q3 or Q4 of 2023.
