The 7 Habits

THE SEVEN GRANDFATHER TEACHINGS

"We want to take back our education and teach our history, our language and our culture. We have begun to tell our story – our history – and we want to tell it in our own words to the world, so that this will never happen to any of the other nations in the world."

- Shirley Williams, Residential School Survivor

HABIT FIVE: SEEK FIRST TO UNDERSTAND, THEN TO BE UNDERSTOOD

Listen before you speak.

Balancing courage, with consideration and expressing our views with clarity and respect.

WOLF - HUMILITY

The teaching of humility is taught to us by the wolf.

The wolf is strong and powerful alone, but finds its greatest strength when part of a pack.
