MESSAGE

From the Principal

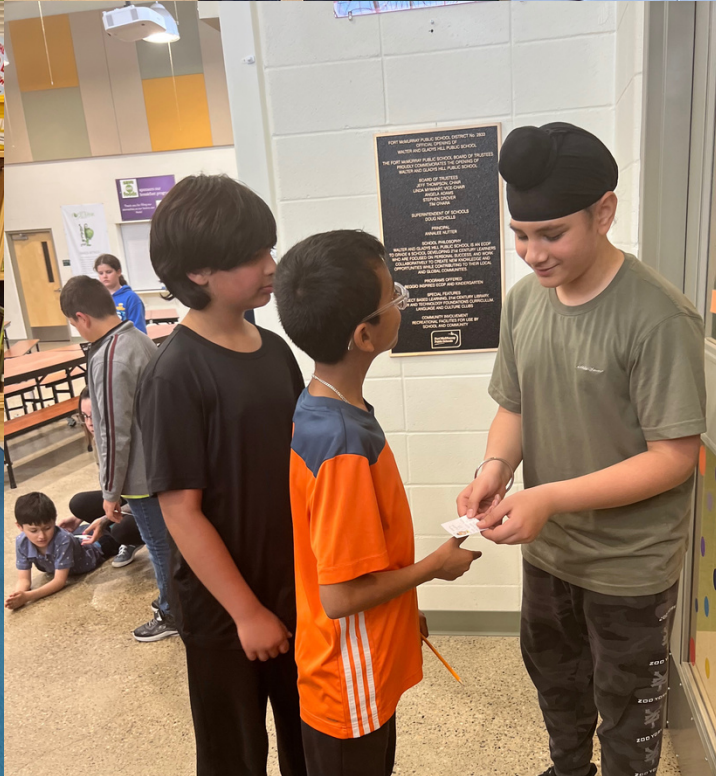

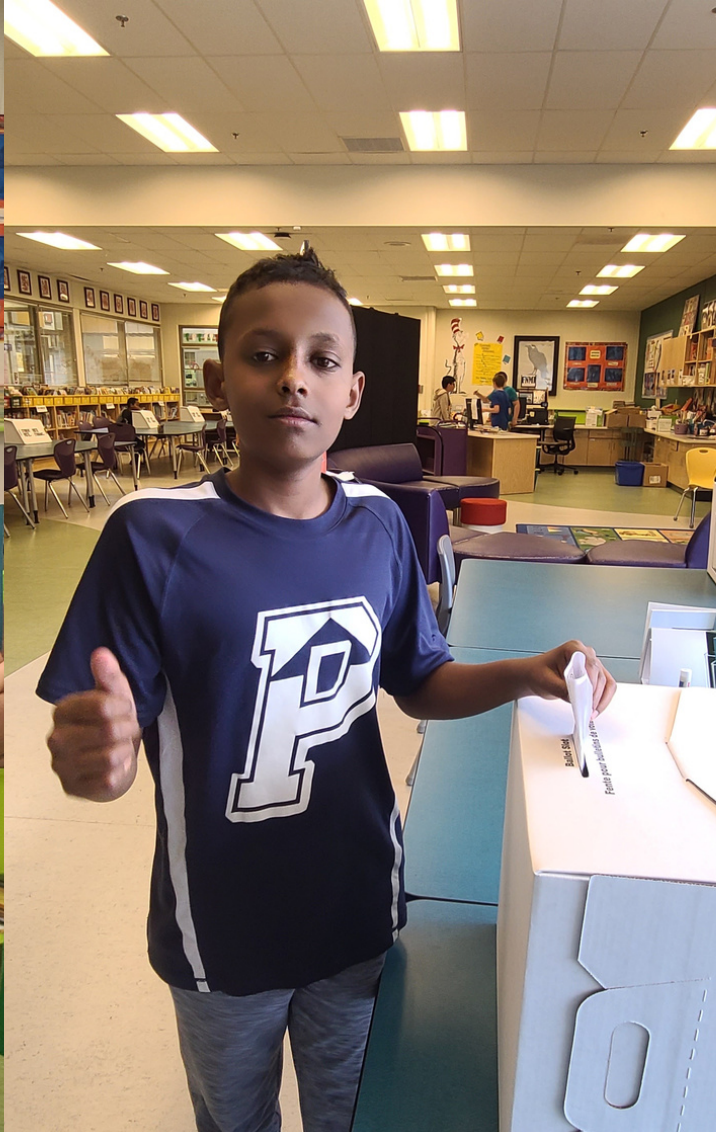

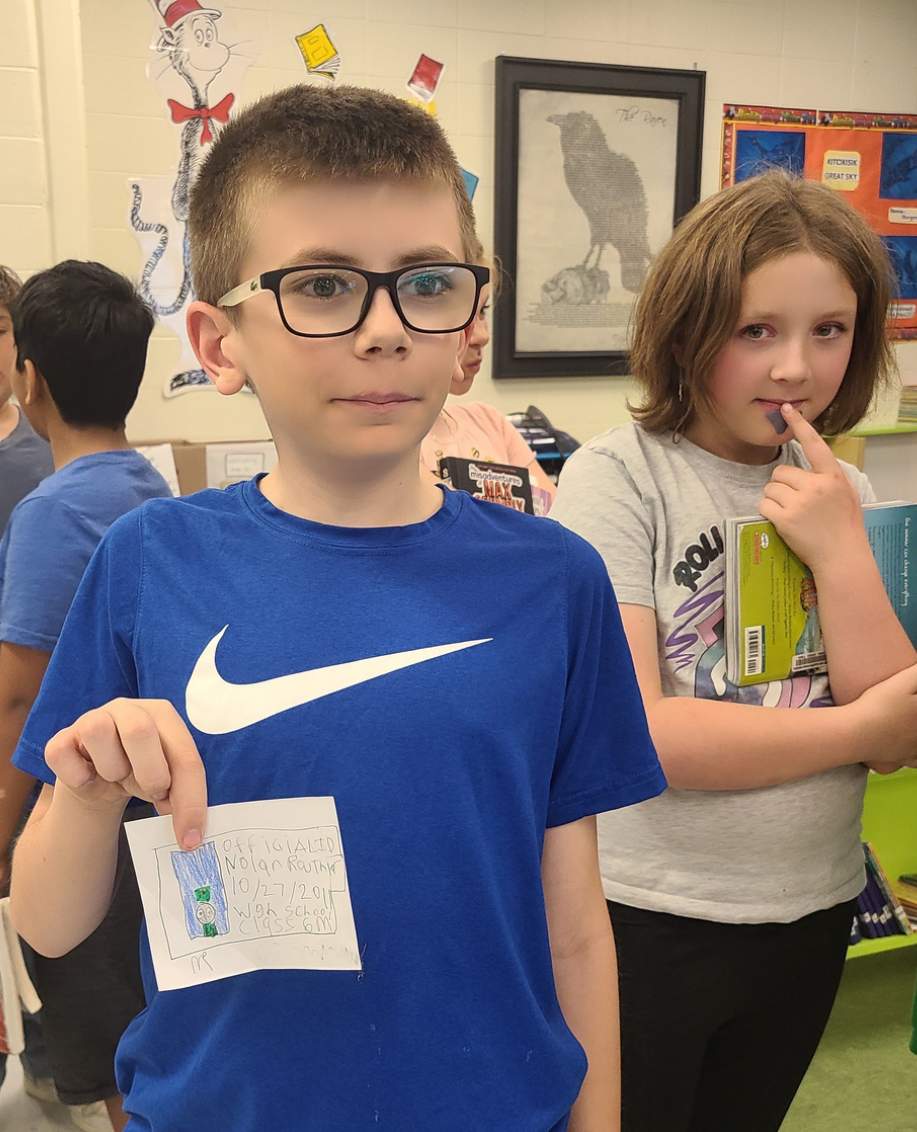

Hello Raven Families,

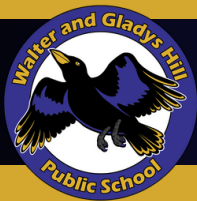

Thank goodness the sun is shining, and a lot of the smoky air has seemed to pass us by. May has been another busy month at Walter and Gladys Hill, with lots on the go, and June we all know will be a whirlwind.

We've had a number of events in the past month, and tons to celebrate. Our students in Grade 6 completed their first Provincial Achievement tests, and we are proud of the hard work they and their teachers have put in to prepare for it. We have the rest of the exams coming up in June. Our school's Track and Field team competed hard at the local meet, and brought home the championship banner. In the meantime our school's Robotics team, STEM Quest group, and Soccer Team are working hard to prepare for the end of their years as well.

We have a lot on the go in June as well with Kindergarten Graduation, Grade 6 Farewell, Provincial Achievement Tests, Soccer tournament, Robotics tournament, Sports Day and so much more on the go. June will be filled with a lot of energy, and we are so excited to welcome and hopefully direct that energy, as we wrap up our curriculum and prepare students for next school year. We are already looking at budgets, staffing, scheduling, etc. and we need your help in completing the demographic confirmation for current students and registering new students, if you already have not done so. For instructions on how to complete the form for current students please go to <https://fmpsd.com/confirm2324> and for new students go to <https://fmpsd.com/new2324>. We hope you all have a great month ahead!

Sincerely, Thomas Andrews

HABIT EIGHT: FIND YOUR VOICE

People who have found their voice focus on expanding their circle of influence, being trustworthy, building trust, blending the voices of others, and creating a common vision. They align goals and systems and empower others.

THE SEVEN GRANDFATHER TEACHINGS

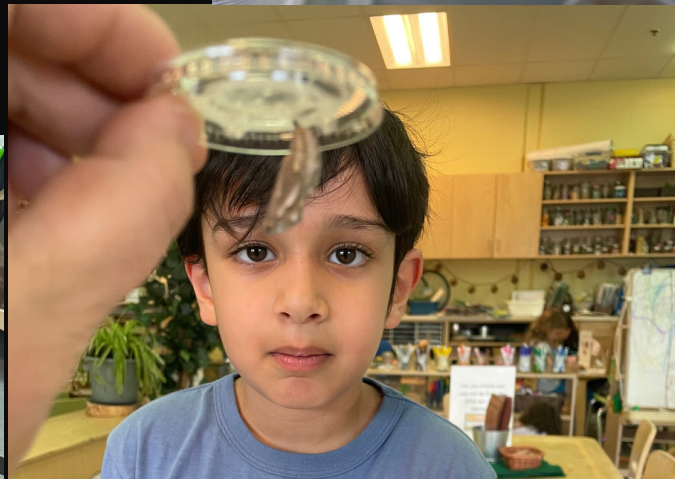

"We want to take back our education and teach our history, our language and our culture. We have begun to tell our story – our history – and we want to tell it in our own words to the world, so that this will never happen to any of the other nations in the world."

- Shirley Williams, Residential School Survivor

INDIGENOUS MONTH!
